Collector's Delight in the Golden October – Discover Variety and Quality

As the leaves turn and autumn brings its special atmosphere, many collectors enter a season of reflection and discovery. Just as nature reveals its treasures, our catalogues open the doors to rare gems of philately and numismatics.

Collector's joy often lies in the unexpected – whether in finding a long-sought item, discovering a unique detail, or winning a bid that meaningfully enriches one's collection.

From October 13 to 17, 2025, we will present over 10,000 lots in seven catalogues covering philately and numismatics. We hope this auction will bring you exactly those moments.

A particular highlight is the collection of Dr M. Gaster "Austria – Newspaper Tax Stamps", presented in a special catalogue. You can also look forward to a Bavaria section with more than 200 lots, rare covers from the German colonies, Argentinian postal stationery and remarkable pieces of South American postal history, a strong

China segment, as well as rare trial strikes and an impressive gold coin from China in the numismatic section.

Whether you bid in person here in Bietigheim-Bissingen, online, by mail, or by phone – we look forward to your participation! If you have any questions or need more information, feel free to contact us at any time.

The complete auction offer can be found at Auktionen-Gaertner.de.

You are also welcome to visit our online partner platforms:

- Coins / Banknotes **biddr.com**
- Philately / Postal History **philasearch.de**

For questions and further information, we are always at your service.

We wish you exciting discoveries and many moments of happiness at our auction!

Your Auction Team Christoph Gärtner

P.S.: Due to recent changes in international customs regulations – especially in the USA – we recommend checking the current shipping and customs rules before the auction.

Sammlerglück im goldenen Oktober – Vielfalt und Qualität entdecken

Wenn sich die Blätter färben und der Herbst mit seiner besonderen Stimmung Einzug hält, beginnt für viele Sammler eine Zeit der Besinnung und Entdeckung. Wie die Natur ihre Schätze preisgibt, so öffnen auch unsere Kataloge die Türen zu seltenen Kostbarkeiten der Philatelie und Numismatik.

Sammlerglück zeigt sich häufig im Unerwarteten – sei es im Auffinden eines lange gesuchten Stücks, im Entdecken eines besonderen Details oder im erfolgreichen Zuschlag, der die eigene Sammlung sinnvoll ergänzt.

Vom 13. bis 17. Oktober 2025 präsentieren wir Ihnen in sieben Katalogen über 10.000 Lose aus Philatelie & Numismatik. Wir hoffen, dass Ihnen diese Auktion genau jene Momente bereitet.

Ein besonderer Höhepunkt ist die in einem extra Sonderkatalog präsentierte Sammlung von Dr. M. Gaster „Österreich – Zeitungsstempelmarken“. Ebenfalls erwartet Sie ein Bayern-Spezialteil mit mehr als 200 Losen, seltene Belege der deutschen Kolonien, Argentinien-Ganzsachen

und besondere Stücke der Postgeschichte Südamerikas, ein starker Bereich China sowie im numismatischen Teil seltene Probepprägungen und eine eindrucksvolle Goldmünze aus China.

Ob persönlich bei uns in Bietigheim-Bissingen, online, schriftlich oder telefonisch – wir freuen uns, wenn Sie dabei sind!

Das komplette Auktionsangebot finden Sie auf **Auktionen-Gaertner.de**.

Besuchen Sie auch gerne unsere Kooperationsplattformen:

Wir wünschen Ihnen spannende Entdeckungen und viele kleine Glücksmomente bei unserer Auktion!

Ihr Auktionsteam Christoph Gärtner

P.S.: Aufgrund aktueller Entwicklungen in den internationalen Zollbestimmungen – insbesondere in den USA – empfehlen wir Ihnen, sich unmittelbar vor der Auktion über die jeweils gültigen Vorgaben bezüglich Versand und Zoll zu informieren.

P 9746	1890-1938, Die ZEITUNGSSTREIFBÄNDER des "DEUTSCHEN und ÖSTERREICHISCHEN ALPEN-VEREINS": 6-bändige FORSCHUNGS- und SPEZIALSAMMLUNG gemäß Ferchenbauer-Katalog Band III S. 91ff: PRIVATE DRUCKSACHENSCHLEIFEN mit verschiedenen Wertzeicheneindrucken und insbesondere die ab 1910 erfolgten AUFGEDRUCKTEN VORAUS-ENTWERTUNGEN. Mit großem Engagement erforscht, beschrieben (in niederländischer Sprache) und in epischer Breite dargestellt ab VERSUCHSDRUCK aus Jänner 1910 (UNIKAT!). Postgeschichtlich besonders interessant aufgrund des gigantischen Empfängerspektrums WELTWEIT (Adressen in Europa und Übersee, vielfach in Kolonialgebieten). Enthält auch eine Auswahl an FEHLDRUCKEN und weiteren Besonderheiten, beispielsweise Spezialabteilung "Leit-Zettel", sowie Wiener Bar-Franco-Stempel und Beispiele der im Zuge des erzwungenen "Anschlusses" an das Deutsche Reich 1938 auf "REICHSPOST / (Reichspfennig)" umgearbeiteten Wiener BAR-FRANCO-STEMPELS. Durchweg instruktiv beschrieben und zudem mit umfangreicher Literaturkopien-Zugabe. Außerdem gewaltiger Bestand an DUBLETTEN in 5 großen, prall gefüllten Schachteln, unzweifelhaft noch Fundgrube für neue Entdeckungen - und weitere Schachtel mit übrigen D.u.Ö.A.V.-Korrespondenz (auch Privatganzsachen). ABBILDUNGEN UND LOSBESCHREIBUNGEN – Images and lot descriptions

Sollte es in unseren Print- oder Online-Katalogen bei einzelnen Losen zu Abweichungen zwischen Bild und Losbeschreibung kommen (z.B. unterschiedliche Ausrufspreise oder die Losbeschreibung passt nicht zur Abbildung), so gelten die Angaben der Losbeschreibung als verbindlich.

Die Katalogwertangaben in EURO (€) beziehen sich, sofern nicht anders angegeben, auf den jeweils aktuellen MICHEL-Katalog zum Zeitpunkt der Katalogbearbeitung. Ausländische Spezialwerke sind gegebenenfalls zitiert.

Sammlungslose werden grundsätzlich „wie besehen“ versteigert. Die Beschreibungen erfolgten nach bestem Wissen und Gewissen. Reklamationen sind bei Sammlungslosen ausgeschlossen.

Should there be differences between the image and the lot description in our print and online catalogs (e.g. different starting prices or the lot description does not match the image), the information in the lot description is binding.

Unless otherwise stated, the catalog values in EURO (€) refer to the current MICHEL catalog at the time of catalog processing. Foreign specialized catalogs are quoted where appropriate.

Collections are “sold as seen”. The lot descriptions were made in all conscience and do not guarantee any characteristics. Collections are excluded from complaints.

WICHTIGE INFORMATION

Zum 01. Januar 2025 wurde die Umsatzsteuer auf Briefmarken und dergleichen (z.B. Ersttagsbriefe, Ganzsachen) als Sammlungsstücke, Kunstgegenstände und Sammlungsstücke auf 7% reduziert. Das bedeutet, der Erwerb dieser Objekte wird deutlich günstiger!

Lose mit einem Punkt (●) hinter der Losnummer unterliegen dem ermäßigten Steuersatz, sodass wir hier 7% Umsatzsteuer auf Zuschlag, Losgebühr und Aufgeld berechnen (entfällt bei Export ins Drittland).

Lose gekennzeichnet mit einem Plus (+) fallen nicht unter die Definition Sammlungsstücke und unterliegen dem regulären Steuersatz von derzeit 19%.

Lose mit einem Dreieck (▲) hinter der Losnummer (Anlagegold, Deutsche Frankaturware) sind steuerfrei.

Alle Lose ohne Kennzeichnung (● oder +) unterliegen der Differenzbesteuerung, es werden nur Zuschlag, Losgebühr und Aufgeld berechnet – keine Umsatzsteuer!

Bei Lieferung von USt-pflichtigen Losen an eine Privatperson im Gemeinschaftsgebiet kommt ggf. der jeweilige nationale USt-Satz zur Anwendung (§ 18 j UStG [OSS-Regelung]).

When delivering a normal taxed lot to a privat individual the respective national VAT rate may apply (§ 18 j UStG OSS regulation)).

IMPORTANT INFORMATION – for EC customers mainly

Since January 1st, 2025 the German VAT on stamps and similar items (e.g. first day covers, postal stationery) as collector's items, works of art and collector's items was reduced to 7%. This means that the purchase of these items will be significantly cheaper!

Lots with a dot (●) after the lot number are subject to the reduced tax rate, meaning that we charge 7% VAT on the hammer price, lot fee and buyer's premium (not applicable for export to third countries).

Lots marked with a plus (+) do not fall under the definition of collector's items and are subject to the regular tax rate of currently 19%.

Lots with a triangle (▲) after the lot number (investment gold, German franking goods) are tax-free.

All lots without marking (● or +) are offered under margin system, only hammer price, lot fee and buyer's premium will be charged - no VAT will be added!

ALLGEMEINE VERSTEIGERUNGSBEDINGUNGEN

Durch die Abgabe von Geboten werden die nachfolgenden Geschäftsbedingungen des Versteigerers anerkannt.

Diese Geschäftsbedingungen gelten, sofern und soweit zwingendes Recht am Ort der Versteigerung keine anderslautenden Regelungen vorschreibt.

1. Die Versteigerung erfolgt öffentlich und freiwillig in eigenem Namen und für eigene Rechnung gegen sofortige Bezahlung in Euro. Devisen und Schecks werden zum Tageskurs der Bundesbank angenommen. Handel und Tausch sind im Auktionsaal nicht gestattet.

2. Die Steigerungssätze sind dem jeweils aktuellen Auktionsprogramm zu entnehmen und betragen 5 bis 10% des Ausrufwertes bzw. des angesteigerten Wertes. Der Zuschlag ergeht nach dreimaligem Ausruf an den Meistbietenden. Der Versteigerer hat das Recht, ohne Angabe von Gründen Personen von der Auktion auszuschließen, den Zuschlag zu verweigern, Gebote abzulehnen, Lose zurückzuziehen, zu vereinigen, aufzuteilen, umzugruppieren, bei Unklarheiten oder Missverständnissen nochmals aufzurufen oder in begründeten Fällen unter dem Vorbehalt der Genehmigung des Einlieferers zuzuschlagen. Untergebote mit Vorbehalts-Zuschlägen bleiben für den Bieter vier Wochen verbindlich, sind aber für den Versteigerer freibleibend. Bei gleich hohen Geboten entscheidet die zeitliche Reihenfolge des Gebots-einganges, bei zeitgleichem Eingang das Los. Lose, die „gegen Gebot“ ausgerufen werden, bedingen ein Mindestgebot von 20,- Euro und werden zum Höchstgebot zugeschlagen.

3. An den Versteigerer übermittelte (schriftliche) Gebote werden streng interessewahrend nur in dem Umfange ausgeschöpft, der notwendig ist, um anderweitig vorliegende Gebote zu überbieten, werden jedoch ohne Gewähr ausgeführt.

4. Telefonische Bieter müssen mindestens den Ausruf bieten und eine schriftliche Bestätigung nachreichen. Im Falle einer Nichterreichbarkeit gilt das Mindestgebot als geboten. Bei Telefongeboten übernimmt der Versteigerer keine Gewähr für das Zustandekommen einer Verbindung.

5. Der Versteigerer erhält vom Käufer ein Aufgeld von 23,8% des Zuschlagspreises sowie 2,- Euro pro Los. Für Lose, die mit • gekennzeichnet sind, wird für den Zuschlagspreis und das Aufgeld die ermäßigte Umsatzsteuer erhoben. Lose ohne Kennzeichnung unterliegen der Differenzbesteuerung nach §25a UStG; es erfolgt kein gesonderter Umsatzsteuerausweis. Bei Losen mit + (Plus) hinter der Losnummer handelt es sich um regelbesteuerte Lose. Bei Zusendung der Ware werden Porto und Versicherungspauschale zuzüglich gesetzlicher Umsatzsteuer gesondert in Rechnung gestellt. Käufe, die in ein umsatzsteuerliches Drittland ausgeführt werden, sind von der Umsatzsteuer befreit. Steuern/Abgaben für die Einfuhr der Käufe im Zielland gehen zu Lasten des Käufers.

6. Mit dem Zuschlag kommt ein Kaufvertrag zwischen dem Versteigerer und dem Bieter zustande. Er verpflichtet den Käufer zur Abnahme und Bezahlung am Versteigerungsort. Wer für Dritte bietet, haftet selbstschuldnerisch neben diesen. Gleichzeitig geht mit der Zuschlagserteilung die Gefahr für nicht vom Versteigerer zu vertretende Verluste oder Beschädigungen auf den Käufer über. Das Eigentum an der ersteigerten Sache wird erst nach vollständigem Zahlungseingang beim Versteigerer auf den Käufer übertragen. Schriftliche Bieter erhalten in aller Regel eine Vorausrechnung, die sofort fällig ist. Erst nach vollständiger Bezahlung der Rechnung besteht ein Anspruch auf Aushändigung der gekauften Lose.

7. Sind Lose vereinbarungsgemäß vom Versteigerer zu versenden, hat der Käufer dem Versteigerer zu Nachforschungszwecken spätestens zehn Wochen nach dem Ende der Auktion (bei Vorkasse: nach der Bezahlung der Ware) schriftlich mitzuteilen, falls die zu versendende Ware nicht oder nicht vollständig zugegangen ist.

8. Alle Beträge, welche 14 Tage nach der Versteigerung bzw. Zustellung der Auktionsrechnung nicht beim Versteigerer eingegangen sind, unterliegen einem Verzugszuschlag von 2%. Dazu werden Zinsen in Höhe von 1% pro Monat erhoben, es sei denn, der Käufer weist nach, dass ein geringerer oder kein Schaden entstanden ist. Im Übrigen kann der Versteigerer wahlweise Erfüllung oder nach Fristsetzung Schadenersatz wegen Nichterfüllung verlangen; der Schadenersatz kann dabei auch so berechnet werden, dass die Lose verkauft oder in einer neuen Auktion nochmals angeboten werden. Der säumige Käufer muss hierbei für den Mindererlös gegenüber der früheren Versteigerung und den damit verbundenen zusätzlichen Kosten einschließlich der Gebühren des Versteigerers aufkommen. Auf einen eventuellen Mehrerlös hat er jedoch keinen Anspruch.

9. Die zur Versteigerung kommenden Lose können vor der Auktion besichtigt und geprüft werden. Sie werden in dem Zustand versteigert, in dem sie sich bei der Auktion befinden. Die nach bestem Wissen und Gewissen vorgenommenen Katalogbeschreibungen sind keine zugesicherten Eigenschaften. Der Käufer kann den Versteigerer nicht wegen Sachmängeln in Anspruch nehmen, sofern dieser seiner obliegenden Sorgfaltspflicht nachgekommen ist. Sammlungen, Posten etc. sind von jeglicher Reklamation ausgeschlossen, ansonsten verpflichtet sich der Versteigerer jedoch, wegen begründeter Mängelrügen, die ihm bis spätestens vier Wochen nach Auktionsschluss angezeigt werden müssen, innerhalb der Verjährungsfrist von einem Jahr seine Gewährleistungsansprüche gegenüber dem Einlieferer geltend zu machen. Im Rahmen von Reklamationen ist bei der Rücksendung an den Versteigerer die Original-Loskarte beizufügen. Die Lose müssen sich in unverändertem Zustand befinden. Dies betrifft auch das Entfernen von Falzen, das Wässern, sowie chemische Behandlungen. Lediglich das Anbringen von Prüfzeichen der Mitglieder eines anerkannten Prüferverbandes gilt nicht als Veränderung. Der Versteigerer kann verlangen, dass bei Reklamationen ein entsprechender schriftlicher Befund eines zuständigen Verbandprüfers eingeholt wird. Will der Käufer eine Prüfung vornehmen lassen, so ist dies dem Versteigerer vor der Auktion mitzuteilen. Die Reklamationsfrist verlängert sich entsprechend. Dies betrifft jedoch nicht die Verpflichtung zur sofortigen Bezahlung der Lose. Die Kosten einer Prüfung werden dem Käufer in Rechnung gestellt, wenn das Prüfergebnis mit der Losbeschreibung übereinstimmt oder der Käufer das Los trotz abweichendem Prüfungsergebnis erwirbt. Mängel, die bereits aus der Abbildung ersichtlich sind, berechtigen nicht zur Reklamation. Lose, bei denen Fehler beschrieben sind, können nicht wegen eventueller weiterer geringer Fehler zurückgewiesen werden. Im Falle erfolgreicher Inanspruchnahme des Einlieferers erstattet der Versteigerer den gezahlten Kaufpreis einschließlich Aufgeld zurück; ein darüber hinausgehender Anspruch ist ausgeschlossen. Der Versteigerer ist berechtigt, den Käufer mit allen Reklamationen an den Einlieferer zu verweisen. Durch die Abgabe eines Gebotes auf bereits von anerkannten Prüfern signierte oder attestierte Lose werden die vorliegenden Prüfzeichen oder Atteste als maßgeblich anerkannt. Werden Lose unter dem Vorbehalt der Gutachten anderer Prüfer beboten, so ist dies dem Versteigerer mit dem Gebot anzuzeigen. Bezeichnungen wie „Pracht“, „Kabinett“, „Luxus“ etc. stellen die subjektive Einstellung des Versteigerers und in keinem Falle eine Beschaffenheitsangabe im kaufrechtlichen Sinne dar. Lose, die mit „feinst“ oder „fein“ beschrieben sind, können Fehler aufweisen. Stücke, deren Wert durch den Stempel bestimmt wird, können wegen anderer Qualitätsmängel nicht beanstandet werden.

10. Ansichtssendungen sind nur von Einzellosen möglich. Postfrische Marken sind von der Versendung ausgeschlossen. Die Lose sind innerhalb von 24 Stunden zurückzusenden, wobei die von uns gewählte Versendungsart anzuwenden ist. Gefahr und Kosten gehen zu vollen Lasten des Anforderers. Sollten die Lose am Auktionstag nicht vorliegen, so werden sie eine Steigerungsstufe über dem nächsthöheren Gebot, mindestens jedoch zum Ausruf, dem Anforderer zugeschlagen.

11. Erfüllungsort ist Bietigheim-Bissingen. Das gilt auch, wenn wir die Ware ausnahmsweise an einem anderen Ort übergeben oder von einem anderen Ort aus versenden. Gerichtsstand für den vollkaufmännischen Verkehr ist Ludwigsburg. Es gilt ausschließlich deutsches Recht. Kommen Kaufverträge durch Versteigerung in einem Land außerhalb der Bundesrepublik Deutschland zustande, findet bei Verbrauchern deutsches Recht nur Anwendung, soweit hierdurch der durch zwingende Bestimmungen des Rechts des Staats des gewöhnlichen Aufenthalts des Verbrauchers gewährte Schutz nicht entzogen wird (Günstigkeitsprinzip).

12. Sollten eine oder mehrere der vorstehenden Bedingungen ganz oder teilweise unwirksam sein oder werden, berührt dies nicht die Gültigkeit der übrigen Bedingungen. Es soll dann das gelten, was dem ursprünglich wirtschaftlich verfolgten Zweck entspricht oder ihm am nächsten kommt.

13. Vorstehende Bestimmungen gelten sinngemäß auch für den Nachverkauf und den freihändigen Verkauf.

GENERAL AUCTION CONDITIONS

By the submission of bids the following General Auctions Conditions of the Auctioneer are recognized and accepted.

These Auction Conditions shall apply, unless binding law at the location of the auction stipulates divergent provisions.

1. The auction is voluntary and held in public in the name of the auctioneer on his own behalf for his own account against immediate payment in Euro. Foreign currency and cheques are accepted at the daily exchange rate of the German Federal Reserve. Trading and exchange are not allowed in the auction rooms.

2. Bidding increments are published in the actual Auction Manual and are from 5 to 10% of the starting price or the actual submitted bid price respectively. The lot is sold to the highest bidder after threefold call. The Auctioneer reserves the right to bar persons from the auction at his sole discretion, to refuse knocking a lot down or to withdraw, pool, recombine or divide lots, to call lots once more in case of equivocality or misunderstandings or to knock a lot down subject to consignor's approval. Bids below the starting price with a knockdown subject to consignor's approval are binding for the bidder for a period of four weeks but are non-binding for the auctioneer. In case of even bids the chronological order of their receipt is applicable; in case of simultaneous receipt of even bids the auctioneer decides by drawing lots.

3. Bids transmitted to the auctioneer (in written form) will be treated with confidence and will only be used to top the other previous bid. However the auctioneer cannot take responsibility for this procedure. Lots without a particular starting price require a minimum bid of 20,- Euro and will be knocked down to the highest bid.

4. Telephone bidders must offer at least the starting price and submit a written confirmation thereafter. In the event of unavailability of the bidder on the phone the minimum bidding price is valid. The auctioneer is not responsible for the setting up and/or persistence of the telephone connection.

5. The auctioneer receives a premium of 23.8% of the hammer price from the buyer plus 2.00 Euro per purchased lot. For lots marked with • (dot), the reduced VAT will be charged on the hammer price and the buyer's premium. Lots without marking are sold under the margin system (§25a UStG); there will be no turnover tax statement. Lots with + (plus) behind the lot number are regular taxed lots. If shipment is requested by the buyer or becomes necessary, costs for postage, packing and insurance plus VAT will be charged separately. For purchases from abroad, which will be exported to a third country (non-EU), VAT will not be invoiced after receiving an evidence of exportation. Duty and/or other charges related to importing the purchases into the country of destination are on buyer's account.

6. The purchase contract between the auctioneer and the buyer is closed on the knockdown of the lot. Based on this contract the buyer is obliged to accept and pay for the goods at the point of sale. In case of bidding for a third party, the bidder is liable as a principal as well as the third party. At the moment of knockdown all risks concerning loss or damage of a purchased lot is the responsibility of the buyer. The ownership of the auctioned goods will only be transferred to the buyer when full payment has been effected. Bidders making written bids will in general receive a prepayment invoice, which is due for immediate payment. Only if the invoice has fully been paid, the buyer has the right to claim ownership of the purchased lots.

7. If it is agreed, that the auctioneer will ship the purchased lots, and they are not or not completely received within ten weeks after the end of the auction (in case of prepayment: after the payment of the goods) latest, the buyer has to inform the auctioneer in writing about this incident for purposes of investigation.

8. Outstanding debts, which have not been paid 14 days latest after the auction and/or receipt of the invoice, will be subject to a default charge of 2%. Furthermore 1% interest per month will be charged unless the buyer can provide evidence that only a lower or no damage has been caused. Furthermore it is in the auctioneer's sole discretion whether he insists on performance or on compensation due to non-fulfilment after a set period. Compensation will be calculated after the lots have been sold directly or on another auction to a third party. In this case the defaulter has to compensate the loss of the auctioneer resulting from a lower sales price and additional costs. The defaulter is not entitled to additional proceeds earned by the auctioneer when selling the lots to a third party.

9. The objects for auction may be viewed and inspected prior to the auction. They will be auctioned in the condition as they are at the time of auction.

The catalogue descriptions were made in all conscience and do not warrant any characteristics. The buyer cannot hold the auctioneer liable for any faults provided that the auctioneer has not infringed his duty to take care. Collections, batches etc. are excluded from any complaint, apart from that the auctioneer is obliged to hold the consignor liable for any complaint, which is made by the buyer within a period of 4 weeks after the auction, within a limitation period of one year. Complaints concerning a lot must be sent to the auctioneer together with the original auction lot card. The lot must be presented in its unchanged condition. This applies to the removal of hinges, submersion in water as well as chemical treatment. Only the application of sign information by a member of an acknowledged auditor association will not be regarded as tampering. In the event of complaints the auctioneer can demand a written expertise of an acknowledged auditor. If the buyer intends to get an expertise, he will inform the auctioneer about it prior to the auction. The period for complaint will be prolonged respectively. However, this does not inflict the right of the auctioneer to be timely paid. Any appraisal fees will be charged to the buyer, if the result matches the lot description or if he acquires the lot in spite of dissent opinion. Any faults, which are obvious at the time of photography, are excluded from the right of complaint. If faults of a lot are described in the auction catalogue, this lot will not be rejected and returned by the buyer because of further smaller faults. In the event of a successful claiming of the consignor the auctioneer refunds the paid purchase price and buyer's premium; the buyer is not entitled to further claims. The auctioneer has the right to refer the buyer with all of his complaints to the consignor. By bidding on lots, which were already signed or certified by acknowledged auditors, the buyer accepts these approval marks or certificates as decisive. If bids are placed with reservation of an appraisal of another auditor, the bidder will inform the auctioneer about this reservation when placing his bid. Descriptions such as „Pracht“, „Kabinett“, „Luxus“ etc. are a subjective opinion of the auctioneer and under no circumstance a statement in regard to warranted characteristics. Lots which bear the description „feinst“ or „fein“ may possibly have small faults. Objects having a value which is defined by their postmark are excluded from complaint of any other defects.

10. Only single lots can be shipped for viewing. They must be returned to the auctioneer within 24 hours, in doing so our mode of dispatch must be utilized. Any risks and costs are for the account of the requesting party. If these lots are not present in the auction house on the day of the auction, they will be knocked down in favour of the requesting party one increment above the highest bidding price but at least for the starting price.

11. Place of fulfilment is Bietigheim-Bissingen. This will also apply, if by way of exception we hand the goods over at another location or if we send the goods from another location. Place of jurisdiction for the full trading is Ludwigsburg. Only German law shall apply. If purchase contracts are closed by auction in a country outside Germany, for consumers German law shall only apply, as far as hereby the granted protection of the law of the state, in which the consumer has his main residence, is not withdrawn (favourability principle).

12. Should one or more of the conditions above or a part of them become invalid, the validity of the other conditions will remain unchanged. The invalid conditions shall be replaced by valid conditions, which conform to their economic purpose.

13. The conditions above shall also apply to after sale and private treaty.
