# Direct sale for cash or consignment to our auctions

## THE CHOICE IS YOURS

We are always looking out for interesting single lots, all kinds of collections and complete estates for our auctions – all around the globe.

Also coins of all shapes and sizes, gold and silver coins and collections thereof, as well as banknotes are always welcome to us.

We also will do special auctions for suitable items, or issue special catalogues which assure to present your material to the market in the best way possible.

Please advise how you would prefer to work with us – and it is up to you if you prefer to leave your items with us as consignments or if you would rather sell your items to us straight away.

Why not give us a call and talk to one of our experts about what would be the best choice in your case? For expensive and voluminous material, we are happy to visit you. If you decide to post your consignment to us, it will automatically be insured at € 25,000 per parcel.

Our experts will view and assess your items, be it a single item or extensive estates and will be happy to make you an offer. We buy philatelic and numismatic items at the best market prices worldwide. Brokers will be paid a commission and we ensure we will handle everything absolutely confidentially.
